

## Spay & Neuter Assistance Application

When funds are available, the City of Veneta may be able to assist qualified low-income Veneta residents with a \$30.00 credit to be used towards the spaying or neutering of their dog or cat. Dogs being neutered or spayed must first be licensed. Applications may be submitted along with the receipt for service up to three months after your dog or cat was spayed/neutered for reimbursement consideration.

To qualify for assistance, provide all of the information below and returned this application along with one of the following documents showing proof of income for all adults living within the household:

- Most recent tax returns; or
- A current Social Security Form 1099 or SSA-4926-SM; or
- Documentation verifying low-income assistance from a federal, state, or other City of Veneta program.
- Receipt for service of spay/neuter procedure within the last 3 months (for reimbursement request only).
