## ADA Ramp Upgrades in Veneta

VENETA – Travelers and local businesses should prepare for some sidewalk closures and some traffic control areas around ADA ramps at OR 200, Territorial Highway, at Jeans Road, just north of the OR 200 intersection with OR 126, Florence – Eugene Highway. Construction on the ramp upgrades is scheduled to begin on Monday, May 16, and continue through Thursday, May 26.

This work is part of the preparation for the paving of Territorial Highway later this summer between Jeans Road and Fir Grove Lane. The dates for that project have not been finalized.
