I hereby apply for bulk water privileges from City facilities other than the Bulk Water Station. I agree to accurately record my water use and the time I operate any City water facility and to comply with all City of Veneta regulations governing the operation or use of any water facilities.

I understand that I am required to pay a \$25.00 meter set-up charge prior to purchasing any water and that I will be charged a base fee (once per month) and a tiered usage fee based on the number of gallons purchased. The base fee and usage fees shall be set by Resolution of the City Council. I acknowledge that I will be billed monthly and agree to pay in full within 15 days of receiving my bill. I understand that failure to pay may restrict future purchases.

I acknowledge that I am required to contact the City's Public Works Department staff to coordinate my purchase needs and to receive instructions. I understand that I may also apply for bulk water privileges using the Bulk Water Station on Cornerstone Drive.

I acknowledge that the specific purchase site and the timing and quantity of water available for purchase shall be solely at the City's discretion. I understand that the City will not be responsible for any damages, lost income, or other consequences due to water purchase restrictions.

I acknowledge that I will be held financially responsible for any damage, alteration, or disturbances caused by my use of the City's facilities and agree to not operate, tamper with, alter or disturb the water without the City's permission.
