

THE REDEVELOPMENT TOOLKIT

Assistance resources for new and existing business in the City of Veneta's Downtown Business District

The Veneta Urban Renewal Agency and the City of Veneta envision a downtown full of small retail and commercial development that is lively, welcoming, and pedestrian oriented.

To facilitate this vision, a set of downtown area resources (grants and loans) has been adopted.

Amounts range from \$1,000 to \$35,000.
